

Humanity Worldwide (HWW)

Website Requirements Checklist

Purpose: Confirm agreed scope before final launch.

Site: humanity-worldwide.org (Next.js static site)

Date: August 2026

Please review each item and mark Approved or note changes needed.

1. Brand & accuracy

- ☐ Official HWW logo used (hands mark + "Humanity Worldwide" + "for a better world")
- ☐ No donor or partner names unless HWW has a verified direct relationship
- ☐ No named PDF reports listed - users contact HWW to request reports
- ☐ Program pages show what we do and where, not unverified stat blocks

2. Homepage

- ☐ Site launches at / (homepage) with no redirect elsewhere
- ☐ Homepage does not open with a donation form - donation is via buttons/CTAs
- ☐ Homepage includes rich overview: programs, impact, regions, emergency, stories, news, partners, CTAs

3. About page

- ☐ Mission reflects 4 countries: South Sudan, Somalia, Sudan, Kenya
- ☐ Quick stats: 4 Countries Served, 4 Core Pillars (no "7 regions" or "1M+" figures)
- ☐ Removed: "Journey of impact" timeline
- ☐ Removed: Leadership & field staff section
- ☐ Voices from the field: realistic stories linked to Education, Livelihoods, Protection, WASH

4. Programs & shelter

- ☐ Program pages list implementation locations (states/counties/regions)
- ☐ Program pages do not show headline stat counters
- ☐ Shelter content describes work without naming unverified funders (e.g. KOICA, UNHCR)

5. Emergency response

- ☐ Covers South Sudan, Sudan, Somalia - organized by country (and states where relevant)
- ☐ Crisis types included: floods, displacement, drought, conflict, etc.
- ☐ Jonglei flood response is an informational case story - no fundraising progress bar or appeal
- ☐ Bottom of Emergency Response page: "Donate to our emergency response" with country selector
- ☐ Emergency donation is general - not tied to the Jonglei appeal

6. Field documentaries

- ☐ Section renamed: Field Documentaries & Successes (route: /media)
- ☐ News & press removed from this section (news remains at /news)

Humanity Worldwide (HWW)

Website Requirements Checklist

7. Navigation consistency

- ☐ Same link labels in header, mobile menu, and footer Explore (single naming standard)
- ☐ Current labels include: About, Our Work, Where We Work, Emergency Response, Success Stories, Field Documentaries & Successes, News, Get Involved, Resources, Contact

8. Resources

- ☐ Resources page = request via contact only (no downloadable report catalog)
